# CALFRESH NUTRITION PROGRAM PRESENTS Assembly Bill 402 Workshop

**May 31, 2016 at 2:00 p.m.**

This workshop will provide an overview of Assembly Bill (AB) 402. AB 402 allows counties to streamline the CalFresh application process, by using information included on the National School Lunch Program application, through a partnership with local school districts.

This partnership will increase school districts/schools' Direct Certification numbers and help families increase their food purchasing power by enrolling in CalFresh Program. Healthy food supports students' learning and success in school.

This workshop is for School Superintendents, Chief Business Officers, and School Nutrition Directors.

*Increase Direct Certification Numbers*

*Assist students to have access to nutritious food*

**Please confirm your attendance by May 20, 2016**
